GRAPE VARIETY: 100% Malvasia di Candia Aromatica

TERROIR: vineyards are located in Albareto, in the district of Ziano Piacentino (Piacenza); plantations date back to 1990 and 2000 and they are placed on a hillside with a gradient of 15%. The plot has a clay soil, it is 240 m above the sea level and it is facing South-East. Vines are trained using the espalier technique and pruned by the Guyot system with a planting pattern of 2.5 x 1.5 m. Planting density is 3000 vines/ha and the yearly yield per hectare is 8000 kg.

HARVEST AND VINIFICATION: grapes are carefully selected and hand-picked, usually at the end of August. Bunches are naturally withered in small cases under the sun; unsuitable berries are removed daily. Afterwards, the best grapes are softly pressed in a vertical press; the caked marc is then mixed and crushed up to 4 times to obtain a yield of about 30% in must. Fermentation takes place in French wooden barrels, then the wine will be regularly decanted.
